Subject - Acquisition of site Nos 57 to 65 of Chellakere town, Chellakere Taluk required for keeping the place open as per suggestions of the Town Planning Engineer

Sir,

I have the honor to state that in response to the preliminary notifications published in the Mysore Gazette with Government order No L 707-II 43-33-9 dated 25th July 1933, H Govinda Setti, the khatedar of the above properties filed an objection to the acquisition on the ground that he proposed to construct a building on the above sites The Sub Division Officer reports in his No R2 C 54- P R 3/32-33 dated 10th November 1934 that the objection petition was placed for discussion at the Municipal meeting on 10th September 1934 and that the Municipal Council have resolved that the acquisition proceedings should be pushed through the cost of acquisition being met by the municipality I have also inspected the site when I was at Chellakere some time ago and the objection of Mr Govinda Setti does not seem to me to be tenable

I therefore request that sanction of Government may kindly be obtained for the acquisition and the declaration statements caused to be published in the Mysore Gazette, the Assistant Commissioner in charge of the Chitaldrug Sub Division being authorised to take order for the acquisition

The cost of acquisition will be borne by the Town Municipal Council, Chellakere

The file of records bearing on the subject is herewith

The ~~object~~ purpose of acquisition is to keep the land open as opined by the Town Planning Engineer desired by the Town people The objection of the petr is that no inconvenience would be caused to the neighbours by the erecting a building on the land which therefore the acquisition is not necessary

The objection is considered untenable by the town Council & the land
